CHILD/PARENT* “DOUBLES” DIVISION

*Note: In addition to competing on one team in one of the “Doubles” Divisions listed above a stacker may also compete on **one** team in the Child/Parent “Doubles” Division or **one** team in the Child/Adult “Doubles” Division. The intent of this special event is to encourage participation from a parent/guardian with their child. (In some cases we understand the “parent” might be another adult family member such as an Aunt, Uncle or Grandparent.) Or if the parent/guardian is not available, a child may stack with an adult of their choice.

“Doubles” teams must compete at their age division dictated by the oldest Stacker on the team for Age Divisions 18 & under.

Teams with a stacker 19 years or older will compete in the division of the youngest Stacker.

A “Doubles” team’s age division coincides with their age on the day of the tournament (2/11/12).

“Doubles” Competition Checklist:

- “Doubles” teams can include boys only, girls only and coed.
- “Doubles” teams must compete at their age division dictated by the oldest Stacker on the team for 18u teams and by the youngest stacker for teams 19+. A “Doubles” team’s age division coincides with their age on the day of the tournament (2/11/12).
- Stackers can compete on only one “Doubles” team within their age division dictated by the oldest stacker. They may however, also compete on only one Child/Parent team or only one Child/Adult team. (A “parent” however can compete on more than one Child/Parent team within his/her family.)
- “Doubles” teams may only compete once in the “Doubles” Prelims.
- “Doubles” teams may compete in the “Doubles” Competition after each team member has competed in the Individual Timed Prelims.
- The format of the “Doubles” Competition follows that of the Individual Timed Competition however only the Cycle stack is done. Each team will be allowed two warm-ups and three tries. We take the “Best Time” of the three tries.
- On a “Doubles” Team, the Stacker on the right side must use their right hand only, while the Stacker on the left side must use their left hand only.
- Partners can choose to switch sides between tries.
- The same rules are followed in the “Doubles” Competition as are used in the Individual Timed Competition with the following addition: each individual stack of cups, in both the up stacking and down stacking phases, **must be handled by both Stackers**. The one exception to this rule is the down stack of the last “3” in the transition from the 3-6-3 to the 6-6. That last “3” may be down stacked by only one of the two Stackers.
- Medals will be awarded to the top 5 teams in each division and the top 5 teams Overall.
