Early registration ends Feb. 24th!

Teams are forming now!

“AGE LEVEL” DIVISIONS FOR ALL EVENTS! (These were previously “Grade Level” Divisions)

The WSSA has made this change in order to accommodate current and future sport stacking tournaments all around the world where ones “age”, not “grade” is universal. A stacker’s Age Division coincides with their age on the day of the tournament (April 9). Stackers will compete in the following Age Divisions—4 & under, 5, 6, 7, 8, 9, 10, 11, 12, 13-14, 15-18, Collegiate (19-24), Masters (25-59) & Seniors ((60 & above). Special Stackers will compete in the following Age Divisions—6 & under, 7-10, 11-14, 15-18 and Open (19 & above). Please understand the new **Age** Divisions are not much different than the old **Grade** Divisions. Kids in the same grade can still compete on the same team even though they may be 1 year apart! Remember, you can “play up”. For example, a 7-year-old 2nd grader can compete on the same team as his/her 8-year-old buddy also in the 2nd grade! They simply compete in the 8 & under division of the Team Relay event.

THE 3-3-3 INDIVIDUAL TIMED EVENT NOW OPEN TO ALL AGE DIVISIONS! (Previously for PreK and K only.)

3-3-3 TEAM RELAY EVENT FOR THE 6 & UNDER DIVISION! (This is in addition to their current 3-6-3 Team Relay Event.)

OFFICIAL EVENT: “DOUBLES” COMPETITION. Top 5 “Doubles” Teams in each Division will advance to the Finals.

OFFICIAL EVENT: 3-6-3 TIMED RELAY COMPETITION. Have your Relay Team work together and race for your team’s fastest time in the 3-6-3 Relay! (See details in Registration Packet.)

NEW T-SHIRTS: Official 2012 NW Regions/WA STATE SPORT STACKING CHAMPIONSHIPS T-shirts.
