### "Doubles" Competition Checklist:

- "Doubles" teams can include boys only, girls only and coed.
- "Doubles" teams must compete at their age division dictated by the oldest Stacker on the team. A "Doubles" team's age division coincides with their age on the day of the tournament (3-10-12).
- Stackers can compete on only one "Doubles" team within the 7u through Open divisions. They may however, also compete on only one Child/Parent team. (A "parent" however can compete on more than one Child/Parent team within his/her family.)
- "Doubles" teams may only compete once in the "Doubles" Prelims.
- "Doubles" teams may compete in the "Doubles" Competition after each team member has competed in the Individual Timed Prelims.
- The format of the "Doubles" Competition follows that of the Individual Timed Competition however only the Cycle stack is done. **(Note: Special Stackers only do the 3-6-3 stack).** Each team will be allowed two warm-ups and three tries. We take the "Best Time" of the three tries.
- On a "Doubles" Team, the Stacker on the right side must use their right hand only, while the Stacker on the left side must use their left hand only.
- Partners can choose to switch sides between tries.
- The same rules are followed in the "Doubles" Competition as are used in the Individual Timed Competition with the following addition: each individual stack of cups, in both the up stacking and down stacking phases, **must be handled by both Stackers.** The one exception to this rule is the down stack of the last "3" in the transition from the 3-6-3 to the 6-6. That last "3" may be down stacked by only one of the two Stackers.
