"Doubles" Competition Checklist:

- "Doubles" teams can include boys only, girls only and coed.
- "Doubles" teams must compete at their age division dictated by the oldest Stacker on the team for Age Divisions 18 and under and by the youngest Stacker on the team for Age Divisions 19+. A "Doubles" team's age division coincides with their age on the day of the tournament (1/28/12).
- Stackers can compete on only one "Doubles" team within their age division. They may however, also compete on only one Child/Parent team. (A "parent" however can compete on more than one Child/Parent team within his/her family.)
- "Doubles" teams may only compete once in the "Doubles" Prelims.
- "Doubles" teams may compete in the "Doubles" Competition after each team member has competed in the Individual Timed Prelims.
- The format of the "Doubles" Competition follows that of the Individual Timed Competition however only the Cycle stack is done. Each team will be allowed two warm-ups and three tries. We take the "Best Time" of the three tries.
- On a "Doubles" Team, the Stacker on the right side must use their right hand only, while the Stacker on the left side must use their left hand only.
- Partners can choose to switch sides between tries.
- The same rules are followed in the "Doubles" Competition as are used in the Individual Timed Competition with the following addition: each individual stack of cups, in both the up stacking and down stacking phases, **must be handled by both Stackers**. The one exception to this rule is the down stack of the last "3" in the transition from the 3-6-3 to the 6-6. That last "3" may be down stacked by only one of the two Stackers.
- Medals will be awarded to the top 5 teams in each division and the top 3 teams Overall.
