Meet and Greet

We have a 1-3 minute skit, freestyle performance or dance representing your country for your team to perform at the Friday night Meet and Greet. If your performance requires music, be sure to bring it on a USB stick. If you have music, we will need it by 3:00 PM on Friday to ensure a smooth transition to your performance.

Gift Exchange

To kick off the Meet and Greet, there will be a pin (or mini-gift) exchange where stackers trade pins (or small items) that represent their country. We suggest bringing a quantity of 3-5 items per stacker on your team (these items are not provided by the WSSA).
