

Tour for Stackers and their family.

😊 Copenhagen from the waterside 😊

Thursday, August 4.

The program:

15.45. Discover Nyhavn.

Nyhavn is an old and famous area of Copenhagen next to the canal.

For those interested, I* will be at the big Anchor in the end of Nyhavn at 15.45. (Same address as where the canal tours depart).

Take a stroll (with me or on your own) to enjoy the atmosphere, eat an ice or sit on the pier with a cold soda.

16.45. Official start of the tour.

Everyone must be at Nyhavn 3, 1051 København K (canal tours departure) no later than 16.45.

17.00. The Grand Tour with our own canal boat and guide.

Among other things we are passing the little mermaid, the Opera House and the small canals of Christianshavn.

18.00. Arrival at "Reffen".

"Reffen" is the biggest outdoor street food market in the North with street food from 17 nationalities. It is situated in an old industrial area next to the harbour.

At "Reffen" we will all get our dinner. (But it might be hard to choose 😊).

20.15. Return home by bus.

A bus will pick us up and drive us to Cabinn Scandinavia (Vodroffsvej 55, 1900 Frederiksberg).

21.00 Thank you for today.
