What Sport Stacking Is All About:

We build only positive pyramids! Lots of encouragement! No put downs. Only humble winners and gracious losers. Sport stacking not only develops important physical skills, such as hand-eye coordination, quickness and focus, it also promotes self-confidence, teamwork and good sportsmanship. Our intent in holding this tournament is to uphold these qualities and provide a positive experience for all. Please understand that most everyone involved in this event is a volunteer working hard to do the best job they can do. Like any athletic competition, decisions and judgments will be made - most will be correct, some may be questionable - all will be sincere. We ask that all those taking part including Stackers, Relay Team Coordinators, Officials and Spectators, do their best to work together, be good sports and positive role models and have a terrific time!

Warm-Ups:

Practice tables are located in the Stacker Warm-Up Area. The On-Deck tables are only used to warm-up just prior to stacking at the Competition Tables.

Competition Round:

Events can be completed in any order. Stackers may return to practice tables in between Individuals, Doubles and Relay to practice as long as all events are completed within the 2 hour competition time.

Head To Head Relays:

When HTH Relays begin, your Division Manager will call up all Coordinators in your Division for a brief pre-tournament meeting. Roll will be called, brackets will be passed out and checked, and a quick review of procedures & rules will be done. The first teams to compete will be called up. These teams report to the Competition Tables that have been assigned to them for that race (announced by a Division Manager). Subsequent teams will be called to the On-Deck tables where they will have the opportunity to warm up. From there, teams will be called up to compete at a Competition Table when it becomes available. When not at the Competition Table or On-Deck table, your team should be at your corresponding Warm-Up table (4 teams per table--2 on each side) preparing to compete. Spectators must remain outside the Competition Area.

Finals:

- You will not need time sheets for finals. Judges will have finals sheets at the Competition Tables.
- Stackers who qualify for Finals may warm-up at the Warm-Up tables and then at On-Deck tables as they are called up by Division Managers. Competition Tables are off limits. Spectators please remain outside of Competition Area.

Stack of Champions:

The STACK OF CHAMPIONS will showcase the top 3 "Overall" fastest stackers in each of the 5 timed events based on the Divisional Finals (Individual Timed Events will include the Top 3 males and Top 3 females). Beginning with the 3rd fastest from that event, each stacker/team has earned the opportunity to have another shot at bettering their time and potentially affecting the "Overall" outcome of the tournament. Stackers/Teams can only "better" their time; they cannot "lose" what they have previously accomplished. Potential improved times will be video reviewed after the 3 tries. Top 3 "Overall" places in each event will be determined and awards will be presented.
