WHAT IS "SPORT STACKING"

Sport Stacking is an individual and team sport where participants stack 12 specially designed cups (Speed Stacks®) up and down in pre-determined sequences. This unique sport promotes hand-eye coordination, ambidexterity, concentration, teamwork and sportsmanship. Sport stacking competitions are open to all ages and abilities! The World Sport Stacking Association's vision is A World that Stacks and our motto is that We only build Positive Pyramids! Come stack with us!

According to Bob Fox, World Sport Stacking Association (WSSA) Founder "Sport stacking not only develops important physical skills, such as hand-eye coordination, quickness and focus; it also promotes selfconfidence, teamwork and good sportsmanship. Our intent is to uphold these qualities and provide a positive experience for all."
