

Summer Stack Fest 2 2025

Information Document

This is our summer regional tournament, and the final regional event before we head into the last tournament of the season – the UK Sport Stacking Championships.

In this document, we aim to provide all the essential information you will need for the event. To minimise paper usage and streamline communication, we are keeping everything digital. This document will remain available on the tournament page of the WSSA site, and printed copies will not be provided at the venue.

With a smaller number of participants and age divisions ranging from 6 to 56, some division groupings may not be as competitive as we would ideally prefer.

We look forward to seeing you at the tournament! If you have any questions before the event, please feel free to contact us at players@gbssportstacking.co.uk

Travel

The venue is located in the small town of Long Sutton and accessible by car with ample free parking on site. The venue is on the ground floor and accessible for wheelchair users. Full address is:

Long Sutton Sports Centre
84 Little London
Long Sutton
Spalding
PE12 9LF

We know a few competitors, including some of our teenage stackers, will be travelling to the tournament by train. If you are planning to drive and will be passing through King's Lynn or Peterborough, and are able to offer a lift, it would be greatly appreciated. Please post in the WhatsApp group (see below) if you can help.

WhatsApp

We have a WhatsApp group for UK sport stackers and parents. It is a useful place to post any questions about the tournament, as all of the Team GB coaches are in the group and happy to help. It is also a space to stay informed and connect with others in the stacking community. Here is the link – <https://chat.whatsapp.com/Kbt9dzqENbd93ZblYPwgnS>

However, if you prefer, you can continue to send any questions to players@gbssportstacking.co.uk

Schedule

The full schedule is included in this document but please note the strict arrival time of **9:30AM** – please do not try and enter the venue before this time. We expect the competition and awards to be

finished by 4pm at the latest but will aim for earlier to assist parents who have a long journey afterwards.

Food and Drink

In Long Sutton and a short drive or long walk from the venue you will find McDonalds, Subway, Greggs and Spa. We will have an hour lunch break so should allow plenty of time for competitors to relax & eat in preparation for finals.

Shop

We will have an on-site pop-up shop offering most of the items available on our online store. For this tournament, we are excited to have limited quantities of several Pro Series 2X sets that have not previously been available in the UK, including Light Blue, Pink, Aquamarine, and Copper. The shop will accept both card and cash payments.

Divisions and Awards

Please note the Divisions may not be final and changes could be made up until the tournament starting. Please continue to check the tournament page on

<https://www.thewssa.com/tournaments/summer-stack-fest-2/3754/>

Medals awarded to top 3 overall division winners.	Age divisions combined for medals and awarded to top 3.	Medals for top 3	Medals for top 3
Beginners – medals awarded to top 3 beginners			
Overall trophies for top 3 male and female			

Beginners

We are delighted to welcome all beginners to the tournament. At 10.00am, there will be a short welcome gathering led by Team GB coaches, who will explain how the day will run and what to expect. Parents are very welcome to join this session so they also have a clear understanding of how the tournament works. The coaches will be on hand throughout the event to support beginners, including offering guidance at the judges' table during the prelims. Beginners will take part fully in the sanctioned tournament but will also be included in a separate beginner's division. The top three competitors in this division will be awarded medals.
